

## AAWA5 - Wallmount

Where space is at a premium, our Selsius Wall Mounted, mains fed boiler is ideal. The Wall Mounted Boiler provides a plentiful supply of hot water within a simple stainless steel case. Water byelaws approved, and built to our usual rigorous quality standards, the Wall Mounted Boiler uses advanced electronics which maintains the water at 98°C. The boiler has boil dry protection, a long life incoloy element and a large non drip tap. We believe that this is the most competitively priced stainless steel wall mounted boiler available

Height (mm)	420
