

## SELSIUS 3 WAY BENWELL FILTER TAP

The Selsius 3 Way Benwell tap is the combination of sophisticated modern styling and engineering excellence. The result is a kitchen mixer tap of minimal design that will maximize performance and style to provide unlimited supplies of freshly filtered water along side your normal tap water. The tap is designed to improve the overall taste, smell and appearance of drinking water, giving a crystal clear source of drinking water for you and your family to enjoy without having to compromise on style, a must for today's home. The cold and filtered water operate off the same lever, simply pull the lever forward for normal water or push the lever back for filtered water. Our compact WRAS approved Doulton filtration cartridge is installed neatly and out of sight under your sink. Undersink Chiller Optional to give you chilled filtered water.

Dispense Option	Hot, Cold and Filtered Water
Colours	Chrome
Dimensions (mm)	W215 x H394
Power Requirements	N/A
Maximum Running Consumption	N/A
Cold Temperature	N/A
Hot Temperature	N/A
Hourly Draw Off	N/A
Reservoir Capacity	N/A
